† What Is Creation Therapy?

Creation Therapy is a counseling method based upon the belief that man is a uniquely created being rather than the result of an evolutionary process. This method was developed by the N. C. C. A. In the early 1980's which underwent 7 years of research involving more than 5,000 individuals who were seeking help for their problems. Conclusions based upon research are that Creation Therapy is over 90% successful when administered by a person who is trained in this counseling technique.

Man is a 3 part (trichotomous) physical, emotional and spiritual being with basic needs. When man is seeking to meet those needs, he is driven in his attempts to the things of the world for satisfaction. Through Creation Therapy the individual is taught how to have their needs met in godly ways that are conducive to the Holy Scriptures.

† What Is Temperament?

Temperament pinpoints our perceptions of ourselves and the people who love and care about us. Although "Temperament" is not specifically mentioned in the Old Testament or New Testament Scriptures, in Psalm 139 King David (knowing nothing about DNA) knew that before you were born, God designed you... "For you created my innermost being..." While your body was being differentiated within your mother's womb, each, "inward part" was designed exactly as God intended - including both your strengths and weaknesses. Temperament is based upon a "Creationist View" and not an evolutionary view of human origin and development. Your Temperament contains your inborn qualities coded by a loving and Wise Creator and these qualities make up your unique identity.

*"For thou hast possessed my reins:
thou hast covered me in my mother's womb.*

I will praise thee;

for I am fearfully and wonderfully made:

marvellous are thy works:

and that my soul knoweth right well.

My substance was not hid from thee,

when I was made in secret,

and curiously wrought

in the lowest parts of the earth.

Thine eyes did see my substance,

yet being unperfect;

and in thy book all my members were written,

which in continuance were fashioned,

which as yet there was none of them."

Psalms 139:13-16

† Mission Statement †

“Mentoring and counseling people God’s way: for service, victorious living, and Godly change.”

“God’s Way Services”

God’s Way Services is a Bible based, Christ centered counseling resource, and a Christian Counseling Academic Institute. GWS offers Biblical solutions to people that are struggling with addictions, hurting, and in need of answers for their relationship problems. Counseling and frequency is based upon individual case study assessment. The Strategic Pastoral Counseling Model is also part of the structure. Referrals are made when determined necessary.

God’s Way Services is available to anyone, needing hope and change, Biblically, in their lives.

God’s Way Services utilizes a tool (The Arno Profile System Test / Temperament Analysis Profile) to bring about an understanding of one’s spiritual genetics, that can aid in breaking the cycle of addiction, residualism and transform lives and relationships; with God’s standard for healing and success. Without an understanding of one’s own Temperament how can one come to terms with who they are as a creation of God in today’s world, as a trichotomous (3 part) being?

God’s Way Services believes that there is nothing impossible with God, and that He alone is the author of life and change that everyone needs. Without Him we are powerless to achieve and overcome life’s challenges successfully.

God’s Way Services wants to help those that are hurting and struggling, while there is still time. Don’t lose heart...If you think we can be of any assistance to you or anyone you know, contact God’s way Services for a consultation or appointment.

It has been said, "The journey of a thousand miles begins with the first step." Asking for help is not a sign of weakness, it is the first step of many before independence and change can be experienced.
